SUMMARY

I am a self-taught Software Developer with collaboration and problem-solving skills. I have a strong desire to use my skills and experiences to better the spaces I'm a part of. I am enthusiastic about learning, with a desire to apply my skills to diverse teams and am eager to help solve more complex problems using coding and data.

SKILLS

Python	Ruby	Rails	SQL	HTML	CSS	JavaScript

PROJECT

APRIL 2021
TEA LOVER'S APP / All Aboard Bootcamp
Ruby on Rails, JavaScript, HTML, CSS
Source Code | Video Demo
